UTOPIA. NON PLACE

The UTOPIA. NON-PLACE project is related to the idea of creative dialogue between artistic circles from Poland and Germany. It assumes the presentation of works in the field of painting, sculpture, photography, video and installations. The project promotes the activities of professors, doctoral students, and also young, unknown artists which might helps them enter the space of international artistic contacts, confronting their work with a recognized artistic and didactic environment of art colleges from Poland and Germany.

The planned exhibition in its subject and character relates directly to the achievements of Stanisław Lem, at the same time being a part of celebrating the birthday of the writer organized by the Krakow City of Unesco Literature.
